

SODEX Ankara

30 September - 3 October 2020

ATO Congressum Ankara, Turkey

Book Your Stand at
SODEX Ankara 2020

Why Exhibit?

- ▶ Turkey has been the fastest growing economy of the OECD members during 2003-2018, with an average annual growth rate of 5.5 %. HVAC&R is the locomotive sector in the country's economy. SODEX Ankara is organised in the capital city of Turkey which is the heart of the manufacturing industry.
- ▶ A local exhibition which attracts international visitors attention
- ▶ Opportunity to reach government and public bodies
- ▶ B2B Meetings opportunity with international visitors
- ▶ According to TOBB HVAC&R Sector Report of 2018 year, Central Anatolian Region where Ankara is also located, is the 2nd biggest region of employment and facilities.
